

Call for papers: Building Resilience Conference

Mon, 05 Oct 2015 16:00:00 BST

Sixth International Conference on Building Resilience will be held in **Auckland, New Zealand 7-9th of September, 2016** in conjunction with Massey University, and Auckland University, New Zealand University of Huddersfield, UK and UNISDR.

Authors are hereby invited to submit the title and an abstract of about 250 words by online abstract submission form using the following webpage: <http://buildresilience2016.nz/> (<http://buildresilience2016.nz/>)

This year the theme of the conference is '**Building Resilience to Address the Unexpected**'. Sub themes include:

- Resilient Cities
- Resilient Governance and Leadership
- Resilience and the Sendai Framework
- Resilient Communities
- Resilient Buildings and Infrastructure
- Resilience Measurements
- Resilient Recovery and Build Back Better
- Educating for Resilience
- Researching Resilience
- Resilience, Risks and Sustainability
- Culture and diversity

We look forward to seeing you in Auckland for a very exciting and stimulating conference.

For further information please visit the conference website at: <http://buildresilience2016.nz/> (<http://buildresilience2016.nz/>)
